Hi David,

In advance of my board meeting next week, I'm anticipating one question you should be able to help me answer?

For the tap card, Why isn't there funding for this from either the Metro grant or the Infill grant?

Is it that you don't have the money anymore, with other items like banner permit fees eating into the Metro grant?

Or was this an extra item that came up?

Same question for the other collateral materials to print?

Thanks,

Aaron
